CIRCULAR OF GOVERNMENT.

With reference to the orders in Government Resolution, Finance Department, No. 1768/33, dated 30th July 1945, a suggestion has been made to Government that, with a view to recovering the loss sustained by this Government in the past in cases of re-employment in which divisible pensions have been held in abeyance, the terms of re-employment should be revised with full retrospective effect by substituting pay plus pension for consolidated pay. In order to enable Government to arrive at a decision on the suggestion, it is necessary to ascertain details of such cases. The Administrative Departments of the Secretariat and Heads of Departments are therefore requested to supply, before 1st February 1946, information in the accompanying form* regarding such cases. The information to be supplied should be restricted to cases of re-employment, sanctioned between 1st January 1940 and the date of the Resolution referred to above, in which divisible pension has been held in abeyance. The Heads of Departments should forward their replies to the Administrative Departments concerned who are requested to send a consolidated statement to this Department.
